ASC Committee Reports

Chairperson no report

Vice-Chairperson Leigh N. report given

VC report for 7/28/19 OVANA meeting

I contacted representatives from the 2 available home groups that had stopped coming to Area for over 3 months

According to our roll log

Clean Connections has not attended area since 2018 -no contact

Enough is Enough last contact I have is Kelly Sizemore 812-857-1891 no email- I talked with Megan after area in June and she let me know that they only had 3 home group members and thus did not always have someone available to attend area. She reports they need support and more home group members. The home group would like to stay on the meeting list.

I suggested she email a report to the area and gave her our secretary's email address. To our knowledge she has not sent in a home group report.

I also sent a text to Kelly Sizemore and asked that he send an email address so I could forward a copy of the home group report form. I will let area know if I hear back.

I did hear back from Jim who is the GSR from Really NA (Jim M. 812 620 3287 jimboinlimbo@juno.com last attended in Jan 2019)

He emailed me and said he would try to come to the area meeting but would be late.

He did make it and I saw him fill out a home group report form.

Gift of Desperation has not attended at all in 2019 no contact info

Courageous Changes and Never Alone are confirmed closed

On a separate note I attended the H&I meeting on 7/28 and hope to do so next month as well.

thanks

Leigh

Activities report 7/28/19

Hello Family,

The Canoe the Blue event was held on the 20th, with a low turn out. Only 3 addicts in attendance, myself included. Unsure why the attendance was so low, but we may want to think about if this event should be continued on the activities subcommittee agenda each year. I do not think it occurred last year due to weather issues. I wonder if the picnic at Henryville (which was much more successful) had any impact on it or not.

We have our final meeting for the planning of the annual Delany "Miracle in the Hills" today before this meeting. I am unable to comment on what will be said at that meeting, but for now I am reporting on the agenda for the campout, the proposed menu and requesting \$400 for the food and supplies needed for this event. I am proposing a reward for the scavenger hunt contest be two registrations to the next KRCNA convention. I
