Nominations/Elections: none

Old Business: Groups vote on sending \$109 to Louisville ASC to cover 1/3 of the cost of the Help Line operating expenses for the year 2020. Motioned by PR subcommittee, seconded by New Way

Passed - 5 For 0 Against 0 Abstain

New Business:

- Phil (H&I) states in 2017 a motion for H & I to receive \$100 per quarter passed. Due to poor records during that time, this body does not have the documentation to confirm this. There was a lot of discussion as to whether or not this needs to be a motion again or if P & P needs to be updated regarding this. Secretary to research the minutes to try to find confirmation of this motion in the past. Hope for Us made a motion on the floor to allow H & I \$100 per quarter for literature needs. This was voted on the floor and passed unanimously.
- RCM asked if this ASC ever sends money to KRCNA. After some discussion it was confirmed no donations to KRCNA in over a year, possibly longer. Discussion about the importance of contributing to the region ensued. After some discussion regarding how much and how often an agreement to send a motion to home groups asking for their votes on the following motion was made. Ballot at end of minutes.

Motion: Send 10% of balance in ASC account to KRSCNA every 6 months (minus a prudent reserve should one be established). Motion by Kelly H from Hope For Us and Seconded by Kenny from Dope Sux

- Discussion on the floor regarding the budget recommendations from the Adhoc subcommittee
- Meeting schedules discussed as we are again out of current meeting schedules. At last ASC the 200 schedules that had been printed were dispersed and we now have none. Discussion regarding purchasing more and how many more were needed. a group decision of purchasing 250 more for \$48 was made. These are the new schedule that our PR subcommittee has developed. Discussion about how often to order, when to update, whether or not to have dates printed on them and the colors to print. No decision has been made regarding that. Jason J reports he is no longer able to meet with Ronnie from Ernie's print shop for the schedules. Jason H has agreed to be that person for the foreseeable future.
- Activities subcommittee requested \$300 seed money for the pancake breakfast. Some discussion regarding if a motion had been passed that required financial decisions be confirmed by group vote prior to writing checks was made. No such motion was discovered and secretary directed to look thru history of minutes to ensure none has been made. More discussion regarding budget recommendations from Adhoc subcommittee and need for budgets from subcommittees requested by chair for next ASC. Activities subcommittee was given the requested money.

- Next meeting will be February 23, 2020 at FCTC at 2 pm

Meeting closed at 4 pm with group hug and serenity prayer.

Yours in service,

Hello family Addict Named Jason,

Our current PR efforts have been keeping our new meeting schedule up to date. We need the fellowship/Home groups support to keep our schedule updated. We have had the help of Louisville Area PR Committees help with our accuracy.

The discussion on the local NA hotline has been discussed and we have been allowed to have 2 Addicts added to our local help line. Louisville PR has agreed to allow more addicts willing to serve the opportunity to be of service. The current phone line list consists of 4 addicts. We have been informed that 5 additional slots are available for service. If you are interested see the PR chair or committee member. Our next committee meeting will be February 18th at 5:00 pm. 405 Pearl Street.

We have talked about possibly seeking a late night tv slot with only the NA logo and our local hotline phone number. Seeking groups thoughts on this idea.

In Loving Service,
Addict Named Jason
